

Tips on how to fill out a form fillable PDF

We recommend that you print a blank copy of the form and complete a draft using pen or pencil.

When your draft is done, enter information on the form fillable PDF using Adobe Acrobat (one page at a time). Then proofread it carefully.

When you are certain there are no mistakes, print a copy of that page and go to the next page. Be sure to print your text to ensure that everything you typed will appear on the form before you move to the next page. Save the file so that you can attach it to an email if submitting electronically.

In addition to filling out the SIF, you must also complete an application for admission to the Turfgrass diploma program. Please refer to the Admission Services website at: <https://admission.uoguelph.ca>

This form must be completed and emailed to Jill Johnson at: jjohnson@uoguelph.ca

If absolutely necessary, the form can be printed and mailed to:

Jill Johnson, Program Counsellor

The associate Diploma in Turfgrass Management is an intensive, highly technical program that requires applicants to have a minimum amount of experience and basic understanding of practical turf management practices. Both academic performance and work experience are required and will be considered when making admission decisions.

Instructions

Completion and submission of this form by the application deadline are required for application consideration. Because the content and form of your submission will contribute to our admission decision, you are encouraged to review the entire Supplementary Information Form before responding and to answer the questions in paragraph form. The University expects you to formulate all answers without assistance from others, please limit the length of your responses to the amount of space allocated on this form.

Please list two people, who could, if contacted, verify the supplementary information you have submitted. At least one reference must be that of a previous or current employer who could confirm employment history you have indicated.
