

Doctor of Veterinary Medicine

Academic Background Form

Please read instructions below before completing the form:

- Your submission must include the course descriptions for the prerequisite courses presented. Copy and paste the descriptions from your institution's course calendar into a blank document.
- Prerequisite courses must be weighted at least 3.0 credits
- Repeats of previously passed courses cannot be presented as prerequisites
- AP courses for which transfer credit was awarded, cannot be used as prerequisites
- Prerequisites in progress can be noted as such, however applications cannot be reviewed until all final grades and official transcripts have been received
- For first and equal consideration, all required documents and official transcripts must be received by November 1st. Review of applications completed after this deadline is dependent on space available in the program
