BIOTECHNOLOGY
ADVANCED

1 REQUIREMENTS

Consult Admission Services to determine admission requirements, prerequisites and any additional application materials needed.

ADMISSION
SERVICES
WEBSITE

2 APPLY

Apply through OUAC (105 application). **Select Program Code GSS.**

2

CAMPUS TOURS

Get to know your campus.

3 U OF G EMAIL

Your U of G email is the primary method of communication going forward. You will receive login info for your personal U of G email address and WebAdvisor account.

COLLEGE OF
BIOLOGICAL
SCIENCES

4 PROCESSING

Once your application is complete and all required documents have been received, it is forwarded to an Admission Counsellor.

4

5 EVALUATION

Admission Committee evaluates your application. Additional information or documentation may be requested. Check WebAdvisor regularly for updates.

CITY OF GUELPH

Learn about the city!

ADMISSION DECISION

Check the status of your application on WebAdvisor. Offer letters will be sent to your U of G email. Review your letter carefully to learn more about conditions of your offer and your transfer credit assessment.

6

7 ACCEPT YOUR OFFER ON OUAC!

HOUSING

Explore housing options at the U of G and in the city!

8 FULFILL CONDITIONS

If your offer of admission was conditional, you must fulfill the conditions outlined by the date specified in your offer letter.

8

9 TRANSFER CREDITS

Transfer credits will be outlined in your offer letter. Work with your Program Counsellor to understand how they apply to degree requirements.

GET INVOLVED

Learn how you can get involved on campus.

10 FINANCIAL ASSISTANCE

Get your financial questions answered [e.g.: transferring OSAP to U of G].

10

11 FEES AND ID

You will obtain your ID card and pay fees dependent on entry point.

ACADEMIC CALENDAR

Checkout the program calendar for Science.

SCIENCE IN(SIGHT)

Fostering academic success.

12 COURSE SELECTION

Work with your Program Counsellor to select courses in WebAdvisor.

12

13 DEGREE COMPLETION

Continue to work with your Program Counsellor to ensure degree requirements are completed. Track your progress using the Student Planning tool in WebAdvisor.

BIOLOGICAL SCIENCE STUDENT COUNCIL

14 APPLY TO GRADUATE

Use the degree audit feature in the Student Planning tool and check in with your Program Counsellor to ensure you're eligible to graduate. Then, apply to graduate!

14

15

GRADUATION!
